### INSURANCE PLANS THAT REQUIRE REFERRALS

If you have an insurance plan that requires a referral from your primary care physician (PCP), other than a Multicare PCP, it is **your** responsibility to provide us with this referral **prior** to treatment in our office. If you do not get the proper referral for treatment in this office, you will be **solely** responsible for any balance in full for which the insurance company denies.

I understand my responsibility for providing your office with the proper referral and agree to be financially responsible for any unpaid balance incurred for failure to obtain a referral.

## MULTICARE MEDICAL CENTER, P.C. Missed Appointment Protocol

Multicare Medical Center strives to provide quality services at all times by scheduling patients in a timely manner. If a patient misses an appointment without providing proper notice, another patient is prevented from receiving care.

**BECAUSE OF THE INCREASE OF MISSED APPOINTMENT, WE ARE FORCED TO INSTITUTE A CHARGE FOR THESE OCCURRENCES. A FEE OF \$35 WILL BE CHARGED IF AN APPOINTMENT IS NOT CANCELLED WITHIN 24 HOURS OF THE SCHEDULED TIME.**

**Our new policy is as follows:**

1. A member of our staff will call will call the patient within 24 hours to notify the patient that the appointment was missed. This communication will be documented.
2. If a patient cannot be reached by phone within 48 hours of the scheduled appointment, the patient will be sent a letter regarding our "NO SHOW" policy and informing them of the missed appointment and the charge incurred.
3. **After three (3) appointments missed without prior notification by the patient, Multicare Medical Center reserves the right to dismiss that offender from the practice.**

I acknowledge that I have read and understand this notice that it is the patient's responsibility to cancel and reschedule appointments and the consequences of not doing so.
